Carolina's nuevo-authentic Mexican Cuisine fuses design, food and service into an experience worth remembering. Owner and creator, Carolina Galvan-Rodriguez, welcomes customers into an atmosphere that dazzles the senses and will awaken your palate, where nuevo meets tradition and Mexican hacienda chic.

With 29 years as a restaurateur, Carolina's Mexican Cuisine offers new flavors and invites you to indulge your taco craving with Brisket Tacos that melt in your mouth, subtly infused with chili peppers and onions. They will change the way you feel about brisket and tacos.

Ceviche made to order "al gusto" (Spanish for as you like), is fresh seafood infused with lime juice, cucumbers, diced tomatoes, onions and Serrano peppers, all prepared just the way you like it.

Among the usual cravings and traditional Mexican dishes are authentic versions of Pollo a la Parilla, Sopas, and Steak and Pollo a la Mexicana. Additionally, various items on the menu are offered to be prepared al gusto (as you like).

At the full service bar, don't forget to try Carolina's signature margarita, La Bomba (The Bomb). This classic frozen margarita, or on the rocks, is infused with Carolina's cherished family Sangria recipe that everyone will be talking about. Don't blame it on La Bomba!

Enjoy a favorite wine in the lounge or dining room, or step outside into the private patio. The Rosemeade location patio includes a waterfall and lush palm trees and inside, our DJ spins favorites Thursdays through Saturdays beginning at 10 PM. At the 75 and Parker location, live music is featured Fridays and Saturdays beginning at 10 PM. The bar/appetizer menu is served at both locations at 10 PM.

Come as you are after soccer games, for a night out with the family, girls' night out or business lunch. Carolina's is an every-occasion place. As Carolina always says, "Mi casa es su casa."
